Statement of Commitment to the Victorian Child Safe Standards

Explorers is committed to the safety and wellbeing of all children and young people.

We want children to be safe, happy and recognised as citizens with rights.

We are committed to all children's safety, participation, and rights.

We have zero tolerance for child abuse, and all allegations and safety concerns will be treated very seriously and consistently with our robust policies and procedures.

We have legal and moral obligations to contact authorities when we are worried about a child's safety, which we follow rigorously.

Explorers is committed to preventing child abuse and identifying risks early and removing and reducing these risks.

Explorers have robust human resources and recruitment practices to reduce the risk of child abuse by new and existing leaders, educators, staff, and volunteers.

Explorers is committed to regularly training and educating our leaders, educators, staff, and volunteers on child abuse risks.

We are committed to the cultural safety of Aboriginal children, the cultural safety of children from culturally and/or linguistically diverse backgrounds and providing a safe environment for children with special or additional rights.

We have specific policies and procedures that support our leaders, educators, staff and volunteers to achieve these commitments.
